

NUESTRA GRAN AVENTURA

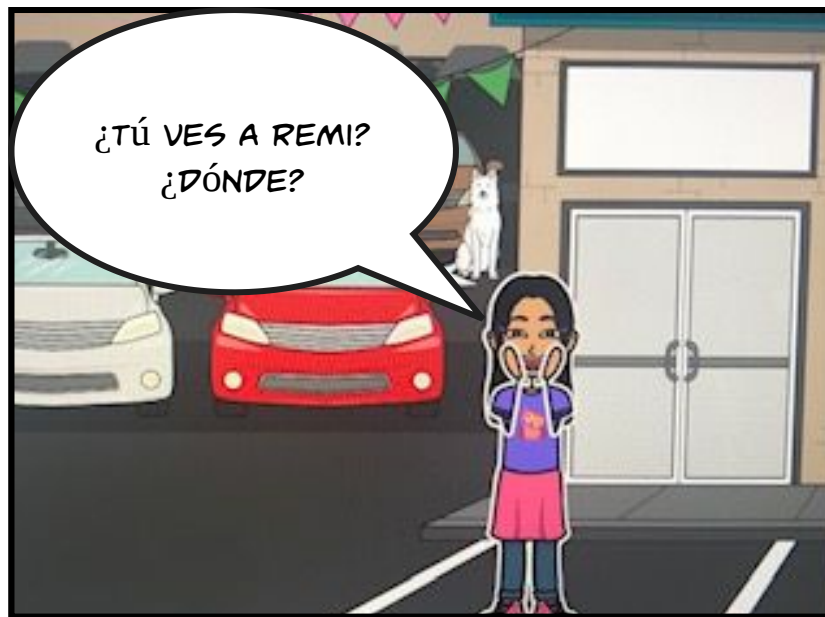

By: Tamia

In this story kids from a variety of ages will be entertained and learn critical thinking. The story follows a young girl named Tamia who meets a new friend (the reader). Tamia's new friend helps her look for her lost dog around the town. After a while they find Tamia's dog and her new friend is invited to dinner. This book is interactive and encourages readers to answer questions. The book also repeats a phrase that should help the reader understand and learn the possibly unfamiliar phrases. I hope everyone enjoys this book and can understand it even without knowing a lot of Spanish.

EL FIN!

CULTURE

LEARNING ABOUT DIFFERENT CULTURES IS AN AMAZING THING. SOME PEOPLE MAY THINK THERE IS NO REASON TO LEARN ABOUT OTHER PEOPLE'S CULTURES. THAT WAY OF THINKING IS FALSE. AS AMERICANS, WE LIVE IN A VERY DIVERSE COUNTRY WHICH MEANS MANY CULTURES AND PEOPLE LIVE IN AMERICA. THERE ARE MANY PEOPLE WHO SPEAK SPANISH AND LEARNING THE LANGUAGE CAN BE VERY IMPORTANT. BESIDES LEARNING SPANISH TO BE ABLE TO TALK TO PEOPLE YOU MAY MEET, IT IS ALSO GOOD TO LEARN SO YOU CAN UNDERSTAND THE CULTURE. HISPANIC/LATINO CULTURE IS AMAZING. MANY CELEBRATIONS REVOLVE AROUND FAMILY AND CELEBRATING LIFE. THE MORE YOU LEARN THE MORE YOU CAN UNDERSTAND OTHERS AROUND YOU AND IT CAN HELP YOU APPRECIATE YOUR FAMILY EVEN MORE.
